

BALMORAL HALL SCHOOL

2010/2011 BH BUS SERVICE

Responding to the growing request for transportation alternatives, we are pleased to announce the implementation of an optional bus service available for students in Kindergarten to Grade 12. Beginning Wednesday, September 8th 2010, this service will offer families greater convenience with designated area pick up and drop off.

The cost of the Bus Service will be \$1,200.00 per child for the year. This will cover return trips to and from the school on all regular school days in 2010/2011, and will average just over \$6.50 /day.

Balmoral Hall School is pleased to announce a working partnership with a local and bonded school bus company to provide this service, including the determination of route plans and procedures. Please see the notice provided.

Detailed information, such as drop off/pick up points* and route times will become available once we receive your seat reservation using the form provided, that indicates your family desire for this service.

* Drop off/pick up points are necessary; no child may be on the bus for more than one hour during a one-way travel segment.

Further details will be provided in June. If you have already submitted the form to reserve your seat, please disregard this notice. Should you have any questions, please contact Mr. Brad Masson, Director of Business Services, at bmasson@balmoralhall.com or call 204-784-1600 ext. 620.

Don't forget to reserve your seat on the bus!
