MCGREGOR STUDIO OF DANCE - HIGHLAND DANCE PROGRAM
****NEW HIP HOP HIGHLAND CLASS****

REGISTRATION FOR NEW & RETURNING STUDENTS

Join these very popular classes, scheduled for your convenience, right after school at Balmoral Hall from the week of September 27, 2010 to June 11th, 2010. All classes are taught by the principal of the McGregor Studio of Dance, former world champion, Gaelyn McGregor and World Champion Qualifier, Colleen McGregor (who is also a Canadian National Hip Hop first place winner).

Highland Dance is a combination of techniques, similar to ballet and Irish dance, which form unique basic movements, steps and dances! The new *Hip Hop Highland* class is designed for all ages and experience levels (beginner to Premier) with Hip Hop and Highland technique. It is said that *Highland Dancers Have the Strength of An Athlete and the Finesse of an Artist!* New studies have shown that trained highland dancers receive higher grade percentages at school due to the unique gross motor skills that are taught.
