BALMORAL HALL SCHOOL ACADEMY OF THE ARTS
AND
MCGREGOR STUDIO OF DANCE - HIGHLAND DANCE PROGRAM

REGISTRATION FOR NEW & RETURNING STUDENTS

Join these very popular classes, scheduled for your convenience, right after school at Balmoral Hall from the week of September 28, 2009 to June 3rd, 2010. All classes are taught by the principal of the McGregor Studio of Dance, former world champion, Gaelyn McGregor.

Highland dance is a combination of techniques, similar to ballet and Irish dance, which form unique basic movements, steps and dances! It is said that *Highland Dancers Have the Strength of An Athlete and the Finesse of an Artist!* New studies have shown that trained highland dancers receive higher grade percentages at school due to the unique gross motor skills that are taught.
